

**Please vote for your
choice of
Woman of the Year**

Each year in May our CCW Women's Club celebrates spring, Mother's Day, and the rebirth of another amazing year, by hosting our annual Woman of the Year award. Our goal is to recognize an outstanding woman in our parish and celebrate her accomplishments in life.

All women of the parish are considered members of the CCW, and we ask you to help us nominate that special woman within our parish, that will be recognized at our Annual Women's Appreciation Banquet (formerly the Mother/Daughter Banquet) to be held on Wednesday, May 22nd this year.

Nominations will be accepted until Monday, May 6th, when we will tally all the votes at our regular CCW meeting. The award winner will be announced and celebrated at our Annual Women's Appreciation Banquet, (formerly the Mother/Daughter Banquet) which is open to all mothers, daughters and women of the parish, and we welcome you to celebrate with us.

If you would like to nominate someone special for Woman of the Year, there are ballots available in the church, and a nomination box in which to put them, or join us at our May meeting to cast your vote. Contact Karen Youker at 620-1469 for information.

Thank you for your help, and God Bless!
