

Pieta Statue Project

Daniel Ahern Troop 94 Armonk - Eagle Scout Project

In order to attain the rank of Eagle Scout I will be doing a project that Father Galens had suggested for our parish family. I will build a Prayer Grotto to house a marble Pieta Statue. This will be especially for the consolation of all parents who have lost a child both the born and the unborn. It will be built after the 13th Station of the Cross, Jesus is taken down from the Cross. This is a mock up to scale of what it will look like. The actual Grotto will be finished with stone.

IN THE PALM OF HIS HAND**

There are different ways you can memorialize a loved one at this prayer grotto.

- Dedicate the entire shrine in memory of someone with a large bronze plaque .
- Dedicate and memorialize a loved one and have a small bronze plaque placed at the base of the shrine.
- Any donation is greatly appreciated in helping to build this prayer grotto.

If you would like to memorialize someone and have a bronze plaque placed on the base of the shrine, please fill out this form with a check in the suggested amount. There are a limited number of memorialization plaques available based on the size of the shrine.
