Parish Stewardship Opportunities

St. Mark the Evangelist is a Stewardship Parish. That means that we put a special emphasis on generously sharing out time, talent, and treasure with the parish community for the purpose of building up the Kingdom of God. There are a number of opportunities to participate in Parish Stewardship that occur regularly. Several of these are listed here.

1. During Mass... assist as an **Usher** or **Altar Server**, by joining a **Choir**, or as part of the new **Sound Support Ministry**.
2. Help St. Vincent de Paul on Tuesdays in the **Food Pantry** or on Sundays by assisting with the **Red Wagon** collection.
3. Fill out a leadership application and become a **Coffee House** leader.
4. Faith Formation needs weekly assistance with **Classroom Set Up**.
5. The Knights of Columbus sponsor numerous activities throughout the year that you can assist with, including **Fish Fry**, **Oktoberfest**, and **Spaghetti Dinner**.
6. SMARTS also sponsors several annual events, including the **Bake Sale**, that include opportunities for Parish Stewardship.
7. To participate in any of the above activities, contact the sponsoring ministry for more information.
8. You may be able to find additional opportunities for Parish Stewardship by joining a ministry. (A list of these can be found at <http://stmarktampa.org/ministries>.)
9. Also, pay attention at Lighthouse for information about upcoming additional Parish Stewardship Opportunities.

Fill out the hours log on the front of this page each time you participate in a Parish Stewardship Opportunity, and turn the whole sheet in either when you fill it or by the end of Lighthouse/Confirmation class on **Sunday, April 19, 2015**, whichever comes first.
