Guide

In this landmark series, Rose Sweet tackles the pain and suffering of divorce from her own experience and an unexpected perspective: the Catholic Church. Joining Rose is a distinguished team of priests and professionals who have dedicated their lives to helping people understand and cope with loss and grief. Together with other recently divorced people, they will help you find the PEACE, POWER and PASSION you've always desired.

Fr. Mitch Pacwa, SJ - Catholic priest, EWTN host, and himself a child of divorce - offers pastoral advice and insight into the beauty of the biblical Song of Songs, encouraging all those who've lost and still seek a love that never fails.

Dr. Ray Guarendi - popular radio show host, television guest (Oprah, CBS This Morning) author, speaker, and clinical psychologist - brings entertaining wit and practical wisdom about money, kids, and all the tough truths divorced people face.

Fr. Donald Calloway, MIC - no stranger to broken homes, had three fathers by age ten and a life of turmoil that followed. He brings warmth, compassion, and the message of God's Divine Mercy to all who've been hurt by divorce.

Christopher West - theologian, author and popular speaker on Pope John Paul II's Theology of the Body - shares powerful insight into the deepest longings of the human heart and how divorced people can finally find the "love that truly satisfies."

Fr. Steve Porter, STL - with a Licentiate in Sacred Theology and decades in the priesthood, gives clear spiritual direction with a practical edge for those who've been divorced and who struggle to know God . . . even when they don't feel His presence.
