HONDURAS MEDICAL MISSION

- Deacon Charlie Stump

The Diocese of Dallas asks that you donate your used eyeglasses and sunglasses to its medical team for the annual mission to Honduras. Glasses are much appreciated by the poor who have no resources to buy their own. Please leave donated glasses in the basket on the table outside Gloria Perez's office. Also, the priests from Trujillo, Honduras, have asked if we would collect family-oriented DVD's in Spanish or with Spanish subtitles. There are no theaters in the areas they serve, and occasionally the priests would like to show movies to their parishioners.

Rachel's Corner

According to Dr. Philip Ney, noted child psychiatrist, researcher and author from Canada, abortion has a negative effect on the siblings of aborted children. Siblings can exhibit what is called "survivor syndrome," or the feelings of guilt and confusion for surviving when their siblings did not as well as having a lack of bonding and trust with their mother. We can help.
