March 19, 2019

Dear Parents,

Welcome to the spring sports season. As always, we host baseball games at McBride Stadium (and one game at Earlham College on 5/17) and softball games at the FOP Field. We will need assistance in order to make these events run smoothly. Because of the many athletes involved I will be able to keep it very minimal provided everyone shows up.

I have created a list of all home games and the assistance I need at each of these games. We will have a brief window for parents to sign up for these slots. After this window closes, I will assign parents to each of these slots to help out at each game. To the best of my abilities, I will make sure that you will not miss any of your child(ren)'s games as a result of helping at these games. **If you are scheduled to work tickets, please be at the game one hour prior to the start time.** Start times are listed on the list. Those selling tickets will sell tickets until approximately the third inning of a single game or the end of the first game of a doubleheader. If you are on the cleaning crew, please just help clean up after the games are over. All that you really need to do is clean up the bleachers and team benches (benches are for softball games only).

This fall many of you received an e-mail regarding Eventlink. Several more of you will likely receive an e-mail regarding Eventlink very soon. This is a new venture that we are really excited about and a tool that we believe you will find very useful as well. Over 300 IHSAA member schools are now using Eventlink and we are trying to utilize to better serve you and help us in our daily activities. The e-mail you receive actually saves you the hassle of creating an account with Eventlink and saves us the hassle of walking everyone through the process. You will find Eventlink useful as you will be able to go into schedules and select what you want to see. I believe you should also be able to sync events to your calendars. We will also be able to send reminders of when you are supposed to work events. You can also set it up so you receive daily event summaries so you know what events your child(ren) have going on that day. You will likely need to add noreply@eventlink.com to your contacts so that e-mails from Eventlink don't go to your spam/junk folder. We really hope you enjoy the features of Eventlink.

Please be sure that you show up to the games you are scheduled to work. The reason we have parents work these games is that many hands make light work for all. As I am sure you know, many schools charge a participation fee for extracurricular activities. By assisting us, we do not have a need to have any participation fees. Believe me when I say that your help is greatly appreciated. If you know you cannot be present at an event you are scheduled to work, it is preferred that you try to switch dates with another family. If for some reason you cannot find anyone to cover for you, please e-mail me at ttremain@setonschools.org. There is nothing worse than to have nobody show up and have no advanced notice.

Thank you for your continued support of Seton Catholic Cardinals athletics and I look forward to another great season!!

Sincerely,

A handwritten signature in black ink, appearing to read 'T. Tremain', with a stylized flourish at the end.

Trent Tremain
Athletic Director
Seton Catholic High School
