MOTHER'S DAY PRAYER

We pray for young mothers, who give life and count toes and tend to our every need; May they be blessed with patience and tenderness to care for their families and themselves with great joy. We pray for our own mothers who have nurtured and cared for us; May they continue to guide us in strong and gentle ways. We remember mothers whose children are no longer with us; may they feel the loving embrace of our God who wipes every tear away. We pray for women who are not mothers but still love and shape us with motherly care and compassion. We remember mothers, grandmothers, and great-grandmothers who are no longer with us but who live forever in our memory and nourish us with their love. Amen.
