## YOUTH & ADULT CHURCH SCHOOL

Sundays, 9:20am to 10:20am  
Church Parlor (Adults); Room 403 (Youth)

The summer study (June/July) begins

with ***The Gospel According to Winnie the Pooh*** (*Intersections: Theology and the Church in a World Come of Age*) by

Bruce G. Epperly. The author explores the spiritual dimensions of the Winnie the Pooh stories from a progressive Christian perspective. The stories of Winnie the Pooh and his friends are a gospel in miniature. Winnie and his friends reflect the many faces of following the way of Jesus with faithfulness despite our obvious foibles. Good news abounds as we discover a gentle providence for every season and challenge of life. The anxious Piglet, depressive Eeyore, micromanaging and xenophobic Rabbit, bouncy and live-in-the-moment Tigger, meandering Pooh, the wise-but-foolish Owl, the immigrant Kanga and Roo, and the child facing the challenges of growing up Christopher Robin all experience the grace of interdependence, grounded in the gentle providence that guides our daily lives, and so can we as we follow the meandering pathways of divine wisdom and creativity.
