

18/19 St. Isidore High School Confirmation Program

Choose Your Elective

A feature of the Confirmation program is a Choose Your Electives component. The goal of this program element is to provide opportunities for each candidate to investigate his/her faith in ways of particular interest and to develop a lifelong interest in participating in our faith beyond a structured setting.

Each candidate will be required to participate in at least three elective activities of personal choice. Some of these activities will have a sign in sheet, if no sign in sheet is present text as selfie to their small group leader to receive credit for attending. (Selfies should obviously be taken in a manner appropriate to the event.)

Examples of elective opportunities—more will be added throughout the year.
