As in the past, there are several options of times and places from which to choose. For ceremonies at the Cathedral, seat assignments are determined by the date the parish registers. Earlier registrations receive the best seats. Due to seating restrictions at the Cathedral, only those officially registered can be assured seats.

The 2019 Rite of Election registration form is attached. When registering, please be sure to provide the following information:

1. The total number attending from your parish (including team members and sponsors).
2. A list of the names of the candidates and catechumens.
3. Whether the candidates and catechumens are children or adults, and ages of children under 18.
4. Please indicate if someone attending has special needs for seating, and the nature of the need.

Registration is due by February 15, 2019

Please email the completed registration form along with the list of names to amvandyke@archdpdx.org. In the email subject line, please type ROE: and include your parish name and city.
