

I want to say Thank You to all the runners who participated this year. We had a record amount of participants as you surely noticed. We registered 468 runners this year. Our prior record was 322. I am not sure where the extra runners came from but I'd love to see you back next year. Along with the massive growth in numbers we experienced a major hiccup as you all entered the chute. We have many good ideas to improve on this for 2010 including lengthening the chute by 50 to 100 feet.

Results: My one goal this year was to *quickly* produce results that included accurate *Age Group Place* data. We met our goal and I was very pleased with that. However, our times on the printout were not very accurate for the runners who finished in large groups. To resolve that, Alina and I have gone back through the results and matched the times with the ticker tape printout from the stop watches at the finish line. We hope to have everyone's time posted within 5 seconds of their actual finish.

The results in the following pages are separated into two groups. First, by Overall Finish and Times and second, by Age Group Place.

Shirts: I have placed an order for additional T-shirts for those who did not receive one on race day. It will take a couple weeks to produce the shirts and another week for us to get them mailed to you. Thank you for your patience while we get those out.

Again, Thank You to all who participated and helped make the Fancy Farm Picnic 5K Run a success.

Eric and Alina Wilson
