The Inspiration of our students.*

Goals and Objectives

St. Matthew Catholic School develops the whole student as a follower of Jesus Christ. The school supports a unique educational environment in which students and staff can experience the presence and love of God through a greater love for their Church, community, and country. In this setting, all are called to proclaim the Gospel message, to unite in worship and to respond to the needs of the community through fellowship and social justice. We strive to serve all through the sharing of their spiritual gifts and temporal goods.

- The school is committed to the spiritual, moral, intellectual, social and physical development of each child.
- The school promotes a community spirit among its constituents, allowing active members to find opportunity for Christian service.
- The school provides instructional leadership.
