

BRIXOLOGY

After School Enrichment Programs At Trenton Catholic Academy

Mad Science of West New Jersey

For more information, please call:

609-737-0313

Through hands on projects developed by actual Lego master builders, students will become aerospace engineers assembling a space station, and mechanical engineers building vehicles with working motors!

They will discover nature's engineering secrets by assembling mechanical animals and have a blast building carnival rides!

Your engineer will also receive exciting take home projects each week!

Each child will receive a take home summary sheet and take home project at the end of each class.

BRIXOLOGY

Aerospace
Bridges
Carnivals
Creatures
Machines
Vehicles

*See Mad Science website for class

REGISTRATIONS ACCEPTED ON A 1ST COME - 1ST SERVED BASIS

Minimum: 12 children per class Maximum: 20 children per class

6 WEEK WINTER SESSION 2:30 PM - 3:30 PM \$89.00/CHILD
