A Message from the Catechetical Office of the Archdiocese of Newark:

*Catechesis: A Source of Energy for the Life of the Church*...

Catechesis involves the intentional and systematic efforts to nurture the faith of adults, youth and children in developing their relationship with Jesus and growing toward maturity of faith and to living committed lives as disciples of Jesus. It includes the preparation for adult initiation, infant baptism, and formation for the sacrament of Confirmation and Eucharist and Reconciliation.

Catechesis has four aims:
- to proclaim the Christian message
- to prepare for prayer and worship
- to build community
- to motivate for Christian living and service.

In order to achieve these ends, catechesis involves an essential collaboration with the Catholic Christian family, the parish community and with catechists who serve at all levels of the ministry. Since catechesis is about faith-sharing, it is a people intensive ministry. It requires faith-filled, skilled and knowledgeable people who are striving to grow in faith themselves and who desire to share that faith with others. The people who serve the Christian community as catechists, carry out, in the name of the Church, the systematic and intentional efforts to enable people to grow in their faith. This makes the parish one of the most critical and central focal points for the carrying out of the catechetical ministry. It is in support of the local parish's catechetical efforts that most of the catechetical energies at the diocesan, national and even the universal levels are aimed.

A Message from the MBS Religious Education Office

Dear Parents and Guardians,

In today’s modern world, we are constantly surrounded by the stimuli of the secular world. Television, movies, the internet, telephones, fashion, and other media are used as tools to influence the values and beliefs of children and adults. Parents are consistently challenged to make their Catholic faith relevant and contemporary. These same mediums can effectively be used for evangelization. Parents must willingly adapt the Gospel while remaining true to the teachings of Jesus Christ in order to pass on their Catholic faith to their children.

A Catholic culture should permeate your family. It should be the center from which each family member effectively and morally solves problems, maximizes opportunities, and integrates all experiences into a dynamic and spiritual spiral of Christian growth. The Religious Education Program at Most Blessed Sacrament Church serves as a support to all families seeking to teach their children about their Catholic faith.

We urge you to use the book, Catholic Prayer for Catholic Families. Copies of this book are available for all families in the Religious Education office. This book will guide your family in developing a deeper relationship with God through prayer.

Please review this handbook in its entirety before registering for the Religious Education Program. All of the guidelines that are outlined within this guide will be followed throughout the year. Failure to adhere to these guidelines may necessitate removal from the program.

MBS Religious Education Program Policies and Procedures

♦ Religious Education Program (Grades 1-8) ♦

Overview of the Text Materials: Finding God Series
“The perfect place to start a life of intentional discipleship is with Finding God. Employing the spirituality of St. Ignatius of Loyola, Finding God provides all the tools to engage the whole child—mind, heart, and soul—uniquely guiding children to practice prayer and reflection, to explore Scripture, and to find God in all things.

Finding God: Our Response to God’s Gifts is based on a spiral curriculum that integrates the fundamental themes of the Catechism of the Catholic Church with Scripture and Catholic Social Teachings. As children are introduced to and revisit concepts and vocabulary from one year to the next, their knowledge and experience both broaden and deepen as they grow in faith as committed disciples of Jesus.”

The Finding God Series is used by students in Grades 1, 3-8.

Students may register for the Religious Education Program at MBS in the Spring before their 1st Grade year. Students returning to the program must register each year in order to reserve a spot in class or home study. Parishioners that are new to MBS may contact the R.E. office at any time to register their children in our program. Attendance at Religious Education class/home study or a Catholic school is required in order for children to be eligible to make their sacraments of First Reconciliation, First Communion, and Confirmation. Any students that have gaps in their religious instruction will need to complete makeup work upon their return to the program.

* All families that register for our Religious Education Program must be registered parishioners of Most Blessed Sacrament.

♦ First Reconciliation and First Communion Preparation ♦

Overview of the Text Materials: God’s Gift: Reconciliation and Eucharist
God’s Gift: Reconciliation and Eucharist offers powerful, meaningful lessons to help children and their parents understand, prepare for, and celebrate the Sacraments of Reconciliation and Eucharist. Engaging children’s hearts and minds through prayer opportunities, active learning, and compelling videos, God’s Gift leads children to a life of faith and discipleship.

The God’s Gift Series is used by students in Grade 2.

Students in Grade 2 may register for the sacramental preparation program after successfully completing Grade 1 of religious instruction in class, on home study, or attending a Catholic school.

* All families that register for our Religious Education Program must be registered parishioners of Most Blessed Sacrament.
Overview of the Text Materials: Confirmed in the Spirit series

“Confirmation is a vital step in the journey of young Catholics maturing in their faith. Confirmed in the Spirit is a comprehensive, flexible Confirmation preparation program that speaks with relevance to the hearts and lives of young people. Through Scripture, prayer, in-depth content, and age-appropriate opportunities for reflective and active experiences, Confirmed in the Spirit prepares young people for Confirmation and the next phase of their lives as Catholics. Lessons guide candidates to embrace the lifelong Catholic practices of worship, prayer, stewardship, service, pursuit of wisdom, and moral decision-making. Each chapter follows the model of Engage-Explore-Reflect-Respond and takes into account various learning styles.”

*Supplemental Text: Decision Point by Dynamic Catholic*

Students in Grades 9-12 may register to join the Confirmation Program after completing religious instruction in class or at home in Grades 1-8 or at a Catholic school. The Confirmation Program is a 1 year program – but students must have attended Grade 7 & 8 religious instruction here at MBS or a Catholic school in order to be eligible for the MBS Confirmation Program. The sacraments of First Reconciliation and First Communion must be made prior to receiving Confirmation. Any students that have missed religious instruction during one or more grade level must successfully complete a makeup plan before registering for Confirmation.

We ask that prospective Confirmation Candidates and their families prayerfully consider their commitment to the program before registering. A commitment to the program includes mandatory requirements of class attendance, completion of all necessary paperwork and assignments, a Confirmation retreat, and regular Mass attendance.

*All families that register for our Religious Education Program must be registered parishioners of Most Blessed Sacrament.*

The Registration Fee is due at the time of Registration – registering without payment will not hold a space in class, especially for the popular Summer Program.

## Inclement Weather

We follow the inclement weather directives of the Franklin Lakes school system. If the Franklin Lakes school have early dismissal or a snow day, Religious Education classes are also closed.

If the Academy of the Most Blessed Sacrament school building is closed in an emergency situation (no water, electricity, etc.), all Franklin Lakes schools will be notified that Religious Education classes are cancelled so that they have ample time to make an announcement before dismissal time. Parents will also be notified by email in the event of a cancellation.

If you have any questions about classes being cancelled, please call (201) 891-4200 ext. 150 or email dtriolo@mbschurchnj.org.

Please do not call the Academy of the Most Blessed Sacrament – they will not know the status of Religious Education classes.
As stated in the documents of Vatican II, “…As it is the parents who have given life to their children, on them lies the gravest obligation of educating their family. They must, therefore, be recognized as being primarily and principally responsible for their education” (Cf. VAT. II Declaration on Christian Education, n. 3: (1965).

Religious Education classes act as a support to parents as primary teachers of the faith to their children. Please keep in mind that each child should be learning their prayers and the foundations of their faith at home. We ask that parents take the responsibility of making prayer and Mass attendance an integral part of family life.

Our programs cannot be run without your help. We are always in need of volunteer catechists, assistant catechists, and substitute catechists.

For those new to the program, the catechists are responsible for teaching the class and the assistants help the catechist with lessons, attendance, projects, etc. Substitute catechists fill in for the catechists and may specify the grade they would like to substitute for. All volunteers must complete mandatory Archdiocesan paperwork including a background check and attend a Protecting God’s Children workshop. All adult volunteers (parents, grandparents, etc.) receive 1 registration fee waiver for each program in which they volunteer.

It is our obligation as practicing Catholics to attend Mass on Sundays and Holy Days. It is a vital part of the religious formation of all, regardless of age. It is essential that Catholic children participate in the liturgical life of the parish through weekly attendance at Mass.

**Our Mass times are as follows:**

**Weekend**
Saturday: 5:30 pm
Sunday: 8:00 am, 10:00 am, 12:00 am

**Weekday**
Monday-Saturday: 6:45 am and 9:15 am

*Please see our bulletin or website for a listing of Holiday/Holy Day Mass times.*
Summer Program (Grades 1-8)

**Drop-off:** Students are to be dropped off at the front door of the Academy of the Most Blessed Sacrament School prior to the start of class. We ask that students arrive at least 5 minutes before the start time so that classes may begin on time. Parents may walk their children into the school if they prefer.

**Pick-up:** Students are to be picked up from their respective classrooms by a parent or guardian via the outside classroom door. The classrooms of AMBS each have an outside door which will be marked with the grade level located inside.

**Absences:** Since the Summer Program is an abbreviated program, no absences are permitted. Late arrivals or early absences are also not permitted.

**Please Note:** If a student is being picked up by someone other than a parent or guardian, please send the R.E. office an email or a handwritten note the morning of class. If a student has permission to walk home from Religious Education class, please notify the Religious Education office.

---

Summer Program (Confirmation)

**Drop-off & Pick-up:** Summer Confirmation classes are held in the Parish Center building at MBS. Students are to be dropped off and picked up at the main entrance of the parish center which is located off the parking lot of MBS Church, across from the playground.

**Absences:** Since the Summer Program is an abbreviated program, no absences are permitted. Late arrivals or early absences are also not permitted.

**Please Note:** If a student has permission to walk home from Religious Education class or has permission to walk across to Starbucks/Market Basket after class – please notify the R.E. office by email or handwritten note.

---

Fall Program (Grades 1-8 & Confirmation)

**Drop-off:** Students may be dropped off in front of the AMBS school building by the front doors on the far right, located closest to the free standing cottages. This is the only door that will be unlocked at drop-off time – doors are open from 3:45 pm to 4:15 pm and are supervised by a staff member. After 4:15 pm, all of the outside doors are locked until class dismissal.

**Pick-up:** All students (Grades 1-8) must be picked up by a parent or guardian from their classrooms. Parents must park in the lot and enter the building through the backdoor of the school located off of the basketball court.

**Absences:** Students in Grades 1-8 are allowed two excused absences from class. If a third absence occurs without a provided doctor’s note or extenuating circumstance, the student will be placed on home instruction. Students in Grades 1-8 will be responsible for completing work that is missed in class during an absence. Students in Grade 9, Confirmation Preparation, are not allowed any absences as it is only an 8 week program.
Books and Supplies

Students will be supplied with grade level appropriate books each year that they are responsible for bringing to class each week. If a student misses class, they will be responsible for completing the lesson(s) that they missed. The current price of the book will be charged to replace a lost book. Students and catechists will be provided any additional classroom and art supplies that they need during class.

Learning Environment

Students will be expected to follow classroom rules and regulations. Courtesy, cooperation, and respect are expected from students towards each other and the catechists. Care must be taken of all AMBS property including tables, chairs, walls, school projects, etc. Cell phones should be used for emergency purposes only. No texting during class time; all cell phones are to be turned off. Any use of a cell phone to bully or harass another student (example: taking photos to post on social media) will not be tolerated.

Student Regulations

• Dress appropriately—no hats or hoods.
• Students should act respectfully toward all adults and use their last name to address them.
• No food or drink should be brought into the classroom. All snacks are to be consumed in the cafeteria before class.
• No toys or games.
• Students may not write on chalk or dry-erase boards unless it is for the purpose of the lesson.
• Cell phones should be used for emergency purposes only. Any cell phone that is observed in use during class will be collected and given back to a parent at dismissal.

Disruptive Behavior Policy

First step: Catechist will speak to the student in class.
Second step: The student will be sent to the director/coordinator. The director/coordinator will call the parents and notify them of the situation.
Third step: The parent will attend class with their child or the student will be placed on home instruction.

Change of Address or Phone Number

Please notify the Religious Education Office if your home address, e-mail address, or phone number(s) change during the year. This is especially important for those students in Sacrament Preparation as we frequently e-mail meeting notices and important information during the year.

WE MUST BE ABLE TO REACH YOU BY PHONE AT ALL TIMES WHILE YOUR CHILD IS ON MOST BLESSED SACRAMENT PROPERTY.
The health and safety of all of the students in our Religious Education program is our utmost priority. Please list any and all allergies, medical conditions, and/or special needs that might impact your child while they attend our program on your registration form.

All information is kept confidential.

**EPI PENS:**
The Archdiocese of Newark has instituted an Epi Pen Policy to be followed by the Religious Education Program. A copy of that policy is attached to this handbook. We have a registered nurse on staff during the Summer Program. The nurse will be responsible for administering Epi Pens, should the need arise. If your child is attending the Summer Program for Grades 1-8 and requires and Epi Pen, please fill out the **Option A form** located on page 13.

If your child will be attending the Tuesday Program and requires an Epi Pen, please fill out the **Option B form** located on page 14. Option B requires that a parent or guardian (or person delegated to administer an Epi Pen) attend class each week with their child in order to administer an Epi Pen if necessary. We do not have a medical professional on staff during the Tuesday Fall/Winter Program.

**Snack Policy**

Due to the rising numbers of food allergies in the students in our Religious Education Program, we will no longer be providing snack before our afternoon classes or during or during our Summer Programs.

Students may bring a **peanut-free** snack to class to be consumed in the cafeteria before classes begin (Tuesday Afternoon Program) or during snack time (Summer Programs).

**Please note:** Tuesday afternoon classes begin promptly at 4:00 pm after gathering prayer at which time the students are dismissed to their classrooms. **NO FOOD is allowed in the classrooms during the school year except bottled water.** If your child arrives to class at 4:00 pm or later with a full snack (example: Starbucks beverages, Dunkin Donuts, etc.) they will have to leave their snack in the cafeteria until after class.
Policy Regarding Epinephrine Pre-filled Auto-injectors in Catechetical Class Settings

Option A – Medical Professional present during Religious Education Classes: A nurse, trained EMT or doctor must be present during catechetical classes in order to administer the epinephrine with a pre-filled auto-injector should it be required. The nurse, trained EMT or doctor must fulfill the requirement of the Child Protection Policy, undergo the background check and attend Protecting God’s Children as required by the policy. If the parish is able to obtain the services of such medical professional to be present during classes either on a paid or volunteer basis, then the parent/guardian must complete the “Epinephrine Administration Form – Option A” and return it to the Parish Religious Education Office. This form must be renewed on a yearly basis. (See attached form.)

OR

Option B – Parent/Guardian present during Religious Education Classes: If a medical professional is not available to be present during classes, the program must require a parent/guardian of the child to be present in the building during the class period to administer the epinephrine with a pre-filled auto-injector should it be necessary. Such a parent/guardian must fulfill the requirement of the Child Protection Policy, undergo the background check and attend Protecting God’s Children as required by the policy. The parent/guardian must complete the “Epinephrine Administration Form – Option B” and return it to the Parish Religious Education Office. This form must be renewed on a yearly basis. (See attached form.)

Please Also Note: With respect to the emergency administration of epinephrine:
Option A: The parents/guardians understand that they must provide the pre-filled auto-injector containing epinephrine. They understand that they are responsible for replacing the medication when it expires or when otherwise necessary. They agree to pick up any unused medication at the end of the school year, when the medication becomes outdated, or when the medication is no longer necessary, whichever comes first. The student’s prescribed epinephrine shall be placed in a secure but unlocked location easily accessible by the medical professional or parent/guardian to ensure prompt availability in the event of an allergic emergency at the parish program or related activity.

Option B: In cases where the parents/guardians are on premises to administer the epinephrine, they understand that they are responsible for bringing the pre-filled auto-injector with them to every session and take it home with them after every session. In cases where the parents/guardians are on premises to administer the epinephrine, they understand that they are responsible for having the pre-filled auto-injector containing epinephrine on their person at all times while present at program sessions.

Should the administration of the epinephrine be required, emergency ambulance services must be called immediately via 911 and the patient must be transported to the hospital emergency room for further treatment once the epinephrine has been administered. This treatment and course of action cannot be refused by the patient nor by the parents/guardians of the patient. This requirement applies even if the student’s symptoms appear to have resolved.

If neither Options A or B are possible, the family may opt to home school the child according to the Home School Policy.
Epinephrine Administration Consent Form  
(Option A – Administration by Medical Professional)

Parent/Guardian Acknowledgement of Receipt, Review and Consent To All Terms And Provisions of Parish Catechetical Program Policy Regarding Epinephrine administration via a pre-filed auto-injector mechanism.

Catechetical Year: ___________ to ___________

Child’s Name: _____________________________________________ Grade: __________

I, ___________________________ the parent/guardian of ________________________________, understand that a nurse or trained EMT or other medical professional will be present during catechetical classes in order to administer Epinephrine via a pre-filed auto-injector mechanism should it be required. With respect to the emergency administration of epinephrine we also understand that:

a. By signing this form the parents or guardians of the student consent to the administration of the epinephrine via a pre-filled auto-injector mechanism by the medical professional present during catechetical program times.

b. The parent/guardians understand that they must provide the pre-filled auto-injector containing epinephrine.
