

Saint Aloysius - Paper Shredding Event - Saturday, April 29th

Saint Aloysius Church is proudly celebrating its 125th Anniversary in November 2017.

We at St. Alos are all very proud of this important milestone and would like to share it by reaching out to the Caldwell community in general. To that end we are planning several community-outreach events throughout the year, starting with the Blood Drive event this past March, and culminating in a large Gala event on November 4th.

Our very next community event is scheduled for **Saturday, April 29th**: Safe Shredding, LLC will be performing safe and secure paper shredding to all who would like to attend. The event is open to the public and will take place in the main parking lot.

April is the perfect time for Spring cleaning, and as such getting rid of those old confidential printed materials, such as old Tax filings or old legal stuff piling up in the attic!!

Note: there will be signs and demarcations to guide the cars to the Safe Shredding truck on premises.

The event details are:
