

The Benefits of Online Registration with ‘My Own Church’

Manage your own personal information using a secure parishioner portal. You can update addresses, phone numbers, email address, or add a new family member.

Online Giving History. You can login to see your online giving history.

Print Tax Statement at Year End. You can download your own tax statement electronically without waiting for a mailing.

Online Convenience. You can login from any device with an Internet connection, including a smart phone.

Improves Parish Communication. Parish ministries and communications rely on accurate parishioner information and tools that support full engagement in parish life.
