PREPARING AND TAGGING YOUR ITEMS

- Be sure all clothing is in excellent condition, freshly laundered, and wrinkle free. Absolutely nothing stained or torn. Clothing on hangers show best, however, we will have table space for folded items. **Attach the tag to the item, NOT to the HANGER.** This can be done through a buttonhole, neck or waist tab, belt loop, or with a safety pin. Specific hangers will not be returned to you but you are welcome to help yourself to what we have left after the sale. Be sure items such as pajamas are safety pinned together to ensure they don't lose their match during the sale.
- Any item that 'does something' must be in working condition with batteries, if required.
- Items with multiple parts should be placed in a clear plastic bag and sealed. (Tape the top portion of your tag to the exterior of the bag but ensure the bottom of the tag is free to be removed at check out.)
- **Perforated 2 part garment tags MUST be used. Fill out the top AND bottom portion with your seller number, size, description and price. Tags are available for \$2.00 a pack and they come in packs of 100. Tags can be ordered through PJP II or picked up in the school office during school hours. Please contact PJP II OUTGROWNSALE@GMAIL.COM if other arrangements are necessary. Tags that illegible or do not include seller number, proceeds will be donated to the school. NEATNESS MATTERS!!**

- Please familiarize yourself with recalled items. Please remove any and all recalled items from your sale items – *IT IS ILLEGAL TO SELL RECALLED ITEMS – YOU WILL BE RESPONSIBLE!!* For a partial list of recalled items, please visit www.cpsc.gov.
- All toys and equipment must be clean. If it is a toy with multiple parts, please place all loose parts in a clear plastic bag that you have **sealed at the top** with tape and attach it to the main piece. Shoppers (kids) like to open bags! Secure your items please!
- NO STUFFED ANIMALS!
We will reject any item for any of the following reasons: stains, tears, odors, broken or defective, seasonally inappropriate, incorrectly priced/tagged, recalled, or for any other reason causing the item to be inappropriate for this sale. Rejected items will be removed from the sales floor and either disposed of or given to charity.

Time to price!

You will need:

- Extra Batteries (the Dollar store sells all sizes)
- Ziploc Bags (Quart, Gallon, 2 Gallon)
- Packaging Tape
- Safety Pins
- Hangers
- Tags
- Pen

Pricing your items

- All tags are to be completed in their entirety. Ensure that your seller number is written clearly and all information listed is on both halves of each tag. Be specific. It is easier to match your item if it gets separated from its tag. The more detailed the better!! Neatness Counts!!
- **Nothing priced less than \$1.00. Items may be sold in increments of \$1.00. If needed, bundle lesser priced items together.**

- Generally, you can ask $\frac{1}{4}$ to $\frac{1}{3}$ the price you paid for the item originally. Typically if you spent \$15.00 on a shirt originally and the item is in excellent condition when you sell it, you can ask \$3.00 - \$4.00 for it.
- Keep in mind, buyers are looking for bargains. If you want your items to sell, consider pricing your items competitively to get the most return.
- Please be sure to use very clear handwriting on your tags so the cashiers do not have to guess what the numbers are.
- **All items must be tagged BEFORE arriving on Friday afternoon.**

Drop Off

On Friday afternoon, you can drop off your sale items in the gym between 4:30 and 6:30 pm. Please check in at the volunteer table to verify your seller number and to let us know that your items have been put out. **You are responsible** to place your items on the appropriate tables and racks. We reserve the right to remove inappropriate items from the sale. Once your sales items have been put out, please vacate the gym. Due to the State Guidelines for items with batted material, we must close the gym completely from 6:30 – 7:30 to spray the large equipment. The doors will reopen at 7:30 for the presale.

******Please be aware that once the gym doors close at 6:30, NO NEW items can be put out for consignment.******

Sale Day

On Saturday, we open to the public at 9:00 a.m. Please arrive 15 minutes before your shift begins and report to the volunteer table to verify your assignment. If you are scheduled to work the last shift of the day, some of your responsibilities include removing items from racks and tables, clearing items that haven't been sold and putting them in seller piles, breaking down the racks and tables, returning tables/ chairs/ shelving to assigned areas,

lifting the flooring, and ensuring that the gym is ready to go for the students on Monday morning. Please do not expect to just take your unsold items and leave. We rely on everyone's help to restore the gym to full function after the sale.

Sellers must pick up their unsold items at 1:00 p.m. We expect to have a charity truck available for donations should you decide you don't want to take your unsold items home. So that there are no misunderstandings, you are responsible for putting your donations on the truck or in the donation piles per the charity's discretion.

PAY OUT!!

- PJP II families sold tags will be sent home with your oldest child. Alumni and church member tags will be mailed out.
- Once all the tags have been counted, your proceeds from the sale will be mailed to you in the form of a check within 2-3 weeks of the sale.
