

## Introducing the PTA Partnership Program

PTA would like to introduce a program that provides additional fundraising opportunities at no extra expense to you!

Mention St. Mary of the Lakes when you enroll or purchase from these companies and they have committed to giving a donation or a portion of the sale back to SMLS in your name. These funds will be applied directly to your PTA Family Fundraising Commitment.

PTA would like to thank the companies providing these opportunities and the families that have already contributed through these programs:

**The Corey Family**  
**The Gould Family**  
**The Mazur Family**

**The Schaal Family**  
**The Scheffold Family**

If you would like further information regarding these opportunities or know of a business that may be interested in participating in the SMLS PTA Partnership Program please contact the SMLS PTA at [pta@smlschool.org](mailto:pta@smlschool.org)
