Young Catholics' Corner

What is one of the biggest surprises you ever experienced? Well, for Peter and some of the other followers of Jesus, it was probably when they spent the night fishing and in the morning, they saw the risen Lord standing on the seashore, inviting them to "Come, have breakfast." Breakfast is the most important meal of the day because it gives us the strength and nourishment that our bodies need each morning. Jesus continues to feed us, his followers, in every celebration of the Eucharist. You might say that Holy Communion is breakfast for the soul... giving us what our body, heart, and mind need to be able to love and serve others, just as Jesus did! Thank you, Lord, for always inviting us to eat at your Table!

Please save this May newsletter for future reference, since some of this information will not be repeated in the weekly bulletin.

PRAYER CORNER
