

SBS PTA for the Trenton Diocesan P.T.A. Annual Yearbook.

The 2013-2015 PTA board's theme is – “We are putting the “FUN” in “FUNdraising”!! We have expanded our horizons and have had new events such as Pocketbook Bingo, combined our Santa Shop with the Knights of Columbus, Parishioners, and RE students for a pancake breakfast, collaborated on a train set raffle with the Hobby Shop & donated funds raised to the RAINE Foundation, hosted a Charity by Design event at Alex and Ani in Red Bank & held an Assembly with John Marshall - Weather Forecaster from CBS.

We also have many other favorite events and FUNdraisers such as the Gift Auction / Casino Night (this year's theme was Totally 80s – it was awesome), Wine Tasting (one of our most memorable and amazing social events), Plant Sale, Tuition Raffle, Super 50/50 (all funds go towards tuition reduction efforts), Rebel Rewards Discount Cards (local businesses), Kidstuff coupon books, Market Day food program, and the Ink Jet Recycling Program. We also sponsor the following events: Faculty Welcome Back Luncheon & Start Up donation, New Family Dinner, New Family Buddy Program, Back to School night, Teacher Appreciation Week, Uniform Swap, Ladies and Young Gentlemen Dance, Gentlemen and Young Ladies Dance, Catholic School's Week, 8th Grade Awards Ceremony Ice Cream Social, 8th grade graduation reception, Scholarship Program, Birthday Book Club and Bowling.

The largest event we have is not a fundraiser for the school, but rather for our community. All funds from our Advent project are donated to the St. Vincent DePaul food pantry which is located on our property. The theme this year was “Write to Fight Hunger” and daily and weekly activities kept the children (and volunteers) excited and involved. The local community magazine ran an article on this project and we were so proud to share our success with the local community.

As you all know, each event was successful due to our hard working PTA Board, supportive community and dedicated volunteers!!

We  the PTA!!
