From the Pastor...

Dear Parishioners,

We have been a vibrant presence in the Monroe community as far back as 1867! It has been over 60 years since we were officially established as the Parish of Sacred Heart in 1957. The mission of “building a community of hope” continues with each one of us, and perhaps with an even greater sense of urgency. It is perhaps now more than ever that people need to be reminded that the hope of the world is here...Christ the Lord. Let us do all that we can to ensure that Christ’s presence is made manifest by remaining a vibrant presence here in Monroe as the Parish family of Sacred Heart. There are so many ways that you as a parishioner can help to support this mission at Sacred Heart. I invite you to take a look through this brochure and see how our Lord is inviting you to help. It has been my privilege to serve such a wonderful and faith-filled parish family all of these years as your pastor. Thank you for your ongoing witness to Christ’s presence among us.

May the Lord give you His peace.

--- Fr. Tom

Support Sacred Heart through the Sunday collections...

To keep our doors open and to support our many ministries and outreach efforts here at Sacred Heart we have to pay our bills just like any other family. Our weekly collections are the main source of our income. Regular and consistent contributions help us to better manage our budgetary needs. Here are three ways to help:

Automatic Bill Pay: This is Sacred Heart Parish’s preferred option. Unlike WeShare (see below) and credit cards which exact transaction fees from your contributions, all of your contributions would go to Sacred Heart Parish by taking advantage of this method.

WeShare: (Formally called ParishPay.) This is an Archdiocesan endorsed online system that allows you to arrange automatic payments to Sacred Heart Church. Please keep in mind that like a credit card, WeShare enacts a small transaction fee in order to provide this service. This fee is offset by the increased giving that occurs through this process.

Parish Envelopes: This is the most traditional and longstanding method of offering your weekly contribution. A box of envelopes is mailed to your home (the box of envelopes will include the 52 weeks of the year and all required second collections.) Your contribution as cash or check is put into the envelope and placed in the collection basket each week.
