holytrinityrespectlife@gmail.com

**WE ARE CREATED  
TO DEPEND  
UPON ONE ANOTHER  
AND TO WALK TOGETHER  
IN SUFFERING.**

## Quote of the Week:

“The worst suffering of seriously ill people ‘is often not physical pain, which can be alleviated with competent medical care, but feelings of isolation and hopelessness.’”

- “Simple Supplements: Caring for Loved Ones at Life’s End,” USCCB

## Respect Life? What Can I Do?

**Why we suffer?** Saint John Paul II in his apostolic letter *Salvifici Doloris* (On the Christian Meaning of Human Suffering) addresses this personal and difficult question. Robert Schroeder’s book “*John Paul II and the Meaning of Suffering: Lessons from a Spiritual Master*” does an great job of relaying the contents of Saint JPII’s apostolic letter or the entire apostolic letter can be read by scanning this QR Code.

**Walk with others** - No matter how busy our lives get may we, the members of Christ’s church, care for those in difficult circumstances, such as physical suffering, loneliness, loss, poverty, and crisis pregnancies.

## Upcoming Dates:
