6:30-8:00pm
Banquet Hall – Room A

Quote of the Week:

“Assisted suicide may sound like it provides choices for individuals, but instead, it's taking choices away from people by radically weakening the promise of care and support at the end of life for terminally ill patients like me.”

Respect Life: What Can I Do?

- Learn what the Catholic Church teaches about end of life care. What is compassionate care and what is assisted suicide? Check out the Catechism of the Catholic Church (CCC 2276-2279)
- Did you know the National Catholic Bioethics Center (NCBC) has several resources to assist you in understanding your options for end of life care? Did you know that the average DNR (Do Not Resuscitate) order is not in line with Catholic Teaching? Scan this QR code or go to www.ncbcenter.org to learn more.
