Quote of the Week: “A sense of deep communion with the rest of nature cannot be real if our hearts lack tenderness, compassion and concern for our fellow human beings. It is clearly inconsistent to combat trafficking in endangered species while remaining completely indifferent to human trafficking, unconcerned about the poor, or undertaking to destroy another human being deemed unwanted. This compromises the very meaning of our struggle for the sake of the environment.”

Respect Life: What Can I Do?

- Pray about your views on abortion. Are you giving into the lie sponsored by the world, that abortion is a private issue? Or are you called to stand for the unborn that cannot stand for themselves?
- Do you know what the Catholic Church teaches about abortion? Are you aware that those teachings have never changed?
- Catechism of the Catholic Church: [CCC 2271](#) “Since the first century the Church has affirmed the moral evil of every procured abortion. This teaching has not changed and remains unchangeable. Direct abortion, that is to say, abortion willed either as an end or a means, is gravely contrary to the moral law:”
