"The soul of education is the education of the soul."
- Fr. Mac

Greetings Tartan Families!

I'm excited to share that we have secured our 4th and 6th grade teachers for next school year. We are elated to welcome Mrs. Lauren Montgomery to 4th grade and Mr. Ben Montgomery to 6th grade.

Mrs. Lauren Montgomery graduated with a B.S. in Elementary Education from Grand Valley State University in 2015. She holds an elementary teaching certificate and is certified to teach all elementary subjects with a social studies endorsement. Following her graduation in 2015, Lauren worked as a reading interventionist at Brevard Elementary in Brevard, North Carolina, and has most recently served as a 4th grade classroom teacher at Brevard, focusing on all subjects with a great talent in teaching math. She was chosen to lead the Math Focus Team and implement math strategies to increase student learning in the area of mathematics.

Mr. Benjamin Montgomery earned his B.S. in Elementary Education from Grand Valley State

University in 2015. Ben holds an elementary teaching certificate that certifies him to teach all elementary subjects with a social studies endorsement. Since 2015, Ben has taught both 4th and 5th grade, with a focus on Language Arts instruction at Scotts Creek Elementary School in Sylva, North Carolina. Ben also served on the school improvement team to help lead change and growth within the school.

We are beyond grateful these two fabulous candidates will be joining us for the 2019-2020 school year. They are also excited to be moving back to Michigan and to share the great vocation of marriage with our students.

As we continue our interviews, please know we are placing the highest priority on finding and hiring highly qualified, certified candidates to fill our teacher positions and we are well on our way. I look forward to sharing more information with you as we continue this process, so please look for more updates soon!

Finally, please continue to hold our faculty, staff, and candidates in your prayers as we continue this important work of preparing for the great opportunities that lie ahead for St. Thomas Aquinas Parish School.

With a grateful heart,

Meghan Loughlin-Krusky
