

The day of our Lord

A just shoot shall rise
The Lord, Our Justice, praise
On earth a great demise
The humble He shall raise

Our hope comes from the Lord
God's promise He'll fulfill
Teach us Thy ways, O God
So to embrace Thy will

Confirm us now in faith
That we may watch and wait
Free from greed and hate
Blameless at Your gate

Stand before the Son of Man
Your redemption is at hand
