

# Fulfilled in your hearing

---

A prophet's gracious word  
'Tis God's inspired work  
His holy actions heard  
Shouldered by His yoke

In the prophet we shall see  
Our gracious God above  
His wisdom and authority  
His actions done in love

God's prophets also know  
The pain of life's affections  
And in our bodies show  
God's sufferings and rejections

Still fearless, they proclaim  
No evil shall prevail  
And even put to shame  
God's Word will never fail

Fulfilled in your hearing  
The cross that we are bearing
