

See your God and live

Woe is me, I am doomed
O death, for sin, has claim
My soul, in pain, entombed
In God, believed in vain

Lord, I am a sinful man
From me You must depart
Unworthy of my Master's plan
This is not my part

Then who am I to call?
And who will go for Us?
Flesh and blood shall fall
In love and mercy trust

Do not be afraid
Let's go out again
For you shall be My aid
To catch the souls of men

All your sins I shall forgive
See your God and live
