

# His Covenant with you

---

Stand firm in the Lord  
Jesus Christ is Brother, Savior and our God  
His Covenant foretold, the promised Seed of Abraham  
Cut by God Divine, blood so purer than a ram

Now our God is for us! In Him, we put our trust  
His gracious law is love; His enemies turn to dust  
He will change our lowly bodies, according to His own  
All things to Him subjected; no one shall He disown

This great Covenant cuts both ways  
And God is faithful to the end of days  
If you should break His Covenant, only He can set you free  
Be models of our Lord and Christ; be imitators of me

For God has cut His Covenant with you  
Walk from death to life on through
