LIFT and Legends are the names we give to our girls and boys discipleship groups that meet on Wednesday evenings. We will always start the evening together, but then the two will split to go into their own books and/or activities before coming back together at the very end to close in prayer. This year, the girls will be primarily using the book *I Choose the Sky*, while the boys will be using *True North*. Books are provided to all participating students at no cost to them. We gather from 7pm-8:30pm Wednesday evenings in the Youth Room.
