

Sunday Usher

Ushers make everything easy! If you come to the 12:15 mass, and you want an hour of service, you can get a two-for-one! We need ushers at the 12:15, and all one has to do is come 5 minutes before the start of mass. Dan Otten will coach throughout the mass, letting ushers know what has to be done and when. Ushers are never left alone, and always coached closely.
