Premium Rates and Contributions for 2018/2019 Plan Year

The Archdiocese offers a comprehensive benefits package to employees and their families. With healthcare costs escalating year after year, the Archdiocese strives to provide the best possible coverage at affordable prices. Effective July 1, 2018, the health plan rates will increase approximately 1.5% for the 2018/2019 plan year. This nominal increase is possible due to the Archdiocese's continued efforts to proactively manage the expenses of the plan.

Monthly				Annual			
	Total Cost	Employer Contribution	Employee Contribution		Total Cost	Employer Contribution	Employee Contribution
Single	\$677	\$644	\$33	Single	\$8,124	\$7,728	\$396
Family	\$1,576	\$1,498	\$78	Family	\$18,912	\$17,976	\$936

* **Dependent Surcharge:** Any eligible spouse or child may participate in the Archdiocese of Cincinnati Healthcare Plan. However, there is a surcharge related to the cost of covering any spouse or child that is able to be covered under any employer group health plan available to the spouse and/or the child's other parent. The surcharge equals the difference between the "Total Cost" of Single and Family coverage as provided above.
Example: $\$1,576 - \$677 = \$899$ and $\$899 + \$33 = \$932$
 \$932 cost to employee per month if dependent surcharge applies.

Why is Anthem Calling Me?

We care about your health, so you might get a confidential call from Anthem.

Anthem calls with your best interest at heart. Anthem can call for a variety of reasons. Sometimes they'll call to offer to help you with health issues, such as losing weight, quitting smoking, preparing for surgery or making healthier life choices. Other times, they'll call to give you important health reminders. If you're expecting a baby, they might introduce you to a supportive program that can help you enjoy a healthier pregnancy. Best of all, these programs have no extra cost, and Anthem will always explain how they work with your benefits.

Keep in mind:

- These calls are always confidential, so you can feel comfortable talking with Anthem.
- Anthem is not calling to "sell" anything. They only call when they identify an area where they can help. The suggestions or programs they'll recommend are already included in your health benefits.
- You will be asked to verify your name and date of birth. That's because Anthem wants to make sure they're speaking to the right person before we discuss your health. It's a way to protect your personal health information.

Advanced Imaging

MRI, MRA, PET, CT non-maternity ultrasound and nuclear cardiology

Here's how the program works:

If your doctor determines you are in need of one of the advanced imaging scans noted above, he/she will contact Anthem to initiate the pre-authorization process.

Anthem will review the referred imaging provider to confirm they offer the best quality of care and price in your area. If another provider in your area is recommended, this will be handled with your doctor during the pre-authorization process and you will be directed accordingly by your doctor. If your doctor chooses not to refer you to the preferred facility, Anthem will contact you to let you know of the preferred choices in your area.

Should your doctor fail to obtain the pre-authorization, your claim cost will not be impacted.

Prescription Drugs

Optum Rx

Prescriptions can be confusing.

To help you navigate your prescription drug plan and save money, the Archdiocese of Cincinnati has implemented the following programs:

Your OptumRx prescription benefit is separate from your Anthem medical benefit and is accessed using a separate OptumRx ID card.

Start Here

Generic Drugs

Generic drugs must be dispensed when available. **If a member prefers to obtain the non-formulary brand product, member will pay brand copay PLUS the difference in cost between the brand and the generic product.**

If there is medical justification for the use of brand vs. generic, the physician may call in a request for prior authorization to be reviewed by the Prior Authorization department.

	Retail-30 days	Mail Order-90 days
Generic	\$10	\$25
Formulary	\$30	\$75
Non-Formulary	\$60	\$150

- *Formulary brand refers to brand drugs with no generic available.*
- *Non-formulary brand primarily refers to brand drugs that have other alternatives available.*

Prior Authorization

If you are prescribed one of the medications that require prior authorization, you will be notified after you fill your first prescription. At that time, if you wish to keep using your medication, it must be pre-approved before your benefit plan will continue to cover it. **The information needed for the prior authorization review must be submitted to OptumRx by your doctor.**

Prior Authorization Process

Your doctor can start the prior authorization review process by contacting the OptumRx Prior Authorization department at 1.800.711.4555. A pharmacy technician then works with your doctor to get the information needed for the review. Once OptumRx receives a completed prior authorization form from your doctor, they will conduct a detailed clinical review within three business days. OptumRx will then send you and your doctor a letter regarding the prior authorization decision.

If you need Specialty Drugs

Specialty Pharmacy

If you are prescribed specialty drugs, the OptumRx specialty pharmacy, BriovaRx, will be your specialty pharmacy. You and your prescriber will be assigned a team to support you throughout the course of your specialty medication therapy.

To help you take full advantage of your enhanced specialty pharmacy program please note:

- Depending on whether your specialty medication is oral or injectable, or your caregiver, doctor, or you administer it, OptumRx/BriovaRx can deliver your order to your physician's office or to your home. Shipping is at no charge to you.
- Your plan will cover up to a 30-day supply of your specialty medications at your plan's applicable copayment.

Flexible Spending Account (FSA)

Benefit Allocation Systems (BAS)

What is it?

Flexible Spending Accounts (FSAs) allow you to pay for eligible health care and dependent care expenses using pre-tax dollars. The money deposited into your spending account is deducted from your paycheck before taxes are withheld, which lowers your taxable income. **You are only able to carryover up to \$500 to the next year, so plan carefully.** The example below* shows the savings an FSA provides.

How much can I save on taxes?

	Your paycheck without an FSA	Your paycheck with an FSA
Gross Salary	\$1,500	\$1,500
FSA Contribution	\$0	\$200
Adjusted Salary	\$1,500	\$1,300
Income Tax	(\$450)	(\$390)
Net Salary	\$1,050	\$910
Out-of-pocket Healthcare Cost	\$200	\$0 (used their FSA)
Remaining Pay	\$850	\$910

You can have a healthcare FSA and a dependent care FSA, but you can only use money in the healthcare FSA for healthcare expenses, and you can only use money in the dependent care FSA for child or adult day care expenses.

What can I use it on?

Allowable healthcare expenses include deductibles, copays, prescriptions, labs, x-rays, vision/dental expenses to name a few. Dependent care expenses include preschool, before/after school care, summer camps, and adult or child day care.

How does it work?

If you decide to contribute to a healthcare FSA, you will receive a Benny card in the mail. The Benny card is similar to a debit card and is linked directly to your FSA. You should always save your receipts when you have used the Benny card, as you will need to **SUBSTANTIATE** the charge. To substantiate means to provide proof that the purchase was an eligible expense,

If you pay for an expense without the Benny card, you can request reimbursement from your FSA. To do so, you submit a claim to BAS by filling out necessary forms and providing required substantiation (receipts, invoices, etc.).

The dependent care FSA does not have a Benny card. All expenses are paid by the employee and then you can submit a claim for reimbursement from your account.

How much should I elect to contribute?

Deciding how much to fund your flexible savings account can seem intimidating. A good rule of thumb is to take a close look at your healthcare or child care expenses over the last 12-18 months, such as prescription drugs, doctor's visits, eyeglasses, deductibles and copayments, to help you decide the amount to set aside in your FSA.

Account Type	Use it for:	How much can I contribute for 2018?	Does it rollover?
Health Care FSA	Medical, dental, and vision expenses	\$2,650 (minimum is \$240)	You can rollover up to \$500 to the next plan year
Dependent Care FSA	Dependent care for children under the age of 13 or a disabled spouse or parent	Annual Maximum Contribution = \$5,000 per couple for married filing jointly and single head of household or \$2,500 per individual for married filing separately	No

Important Note: Should your employment terminate, your FSA participation will end on your last day of employment. Per the Internal Revenue Code, any funds remaining in your account, against which claims have not been incurred by or prior to your date of termination, will be forfeited.

Voluntary Dental, Vision and Hearing

Dental Care Plus

There are two dental plans to choose from. They are both 100% paid by the employee. They both have the same level of care and coverage. **What distinguishes one program from the other is cost and flexibility.**

Select this plan if your dentist is in the Dental Care Plus HMO Network or if you are comfortable with selecting a new dentist in the network.

Basic Life and AD&D Insurance**

The Standard

The Archdiocese of Cincinnati provides its eligible employees with \$50,000 of Group Life and \$50,000 Accidental Death and Dismemberment (AD&D) insurance.

Features of your Life coverage include a Right to Convert Provision, a Portability of Insurance Provision, Waiver of Premium (which will continue Life coverage without payment of premium while you are totally disabled), and an Accelerated Benefit for the terminally ill.

The Accidental Death and Dismemberment (AD&D) coverage is available in the event of an accidental death or dismemberment, meaning the loss of use of specific body parts or functions such as outlined in your plan booklet.

Long-Term Disability (LTD) Insurance

The Standard

LTD insurance provides income replacement in the amount of 60 percent of the first \$8,333 of monthly predisability earnings, reduced by deductible income (e.g., work earnings, workers' compensation, state disability, pension, etc.). The maximum monthly benefit is \$5,000 and the minimum monthly benefit is \$100. Benefits begin after a benefit waiting period of 180 days.

To be eligible for LTD insurance, for the benefit waiting period and the first 24 months for which LTD benefits are paid, you must be unable, as a result of physical disease, injury, pregnancy or mental disorder, to perform with reasonable continuity the material duties of your own occupation and suffering a loss of at least 20 percent of pre-disability earnings when working in the employee's own occupation. After that, you must be unable as a result of physical disease, injury, pregnancy or mental disorder to perform with reasonable continuity the material duties of any reasonable gainful occupation. You are not considered disabled when earning 80 percent or more of pre-disability earnings in any occupation.

An eligible employee who needs to make a Long-Term Disability claim can do so by notifying his/her Location Administrator, who will help facilitate the process. LTD claims must be approved by The Standard Insurance Company.

Supplemental Life Insurance**

The Standard

The Archdiocese of Cincinnati recognizes that different individuals have varying comfort levels and needs in regards to life insurance. It is important that you analyze a variety of factors to determine where you and your family need expanded coverage (e.g., risk factors, age, wellness, and medical history).

Eligibility

- Employee — See the Eligibility for Life, AD&D and Long-Term Disability Insurance section on page 4
- Spouse — Employee's legal opposite sex spouse
- Children — Eligible dependent children from live birth to age 26

Benefit

Remember that the Archdiocese of Cincinnati provides you with \$50,000 of Life coverage. For additional Group Term Life above the \$50,000, employees can elect Supplemental Life Insurance in increments of \$10,000 up to \$500,000.

The Employee must elect Supplemental Life coverage, in order for him/herself to elect coverage for a spouse/dependent. The spouse coverage amount can be elected in increments of \$10,000, not to exceed the employee's benefit amount.

Eligible children may be covered from birth to age 26. You can elect a benefit amount of \$2,500, \$5,000, \$7,500, or \$10,000.

If an employee or spouse elects or increases coverage during annual enrollment, an Evidence of Insurability (EOI)* form must be completed and approved by The Standard. This form is available within the MyEnroll system.

**Benefit won't become effective until EOI is approved by The Standard.*

Premium

To determine your premium, take your age at your last birthday, find the rate as shown per \$10,000 unit of life insurance, and multiply that rate by the number of \$10,000 units you desire. Do the same thing for your spouse at his/her age for the number of units requested.

Age	Rate	Age	Rate
Under age 20	\$0.63	50–54	\$4.63
20–24	\$0.75	55–59	\$8.00
25–29	\$0.88	60–64	\$11.00
30–34	\$1.13	65–69	\$20.75
35–39	\$1.50	70–74	\$33.50
40–44	\$2.00	75–79	\$54.25
45–49	\$2.88	80+	\$87.88

Monthly premium rates are based on your age at your last birthday. They will change on the plan anniversary date coinciding with or next following your last birthday as you advance to a higher age bracket.

Dependent Child Benefit Amount Selected	Rate (Regardless of # of children)
\$2,500	\$0.125
\$5,000	\$0.250
\$7,500	\$0.375

***The basic and supplemental life insurance benefits are subject to the following age reduction schedule: reduction by 35% at age 65, 58% at age 70 and 70% at age 75.*

When You Retire

Medicare

Medicare and Group Health Plan Coverage

When you retire and are Medicare-eligible, you have a number of important decisions to make. These may include whether to enroll in Medicare Part B, join a Medicare Prescription Drug Plan, or buy a Medigap policy.

Understanding your choices

To help you avoid paying more than you need to for Medicare Part B and other insurance, and get the coverage that's best for you, you can visit www.medicare.gov and select "Compare Medicare Prescription Drug Plans" and "Compare Health Plans and Medigap Policies in Your Area." You can also call your State Health Insurance Assistance Program. To get the telephone number for your state's program, call 1.800. MEDICARE (1.800.633.4227). TTY users should call 1.877.486.2048.

Medicare Part B benefits are optional and are available to all retirees when they become entitled to Medicare Part A. Medicare Part B may be purchased by most persons age 65. Failure to purchase Medicare Part B will drastically affect an individual's ability to recover any costs incurred for physician services and other Medicare Part B covered items.

Medicare Part D (prescriptions)

Those eligible for Medicare are provided a letter of creditable coverage. The letter states that the prescription drug program currently provided by the Archdiocese Healthcare Plan exceeds Medicare Part D. Medicare participants and individuals over age 65 are advised that they could select the Archdiocese of Cincinnati Healthcare Plan instead of Medicare Part D if they are still actively employed by the AOC and benefit eligible. The letter permits Medicare eligible persons to join Medicare Part D at a later date, if they choose, without paying a late entrant "penalty." This letter will be provided annually prior to Medicare open enrollment.
