REFLECTION – FEAST OF PENTECOST: When the disciples received the Holy Spirit, they were able to proclaim God’s word in a way that everyone could understand, no matter their culture, their country, or their language. When early Christians received the Holy Spirit, they were able to serve the body of Christ, the church, with unique spiritual gifts.

Since we have received the Holy Spirit and continue to be filled with the Holy Spirit, let us ponder how we can use our gifts to the benefit of others.
