3. Monthly tuition and attendance schedule not received by the 20th of the month has a \$25.00 late fee.
4. ASP is a yearlong program paid monthly. Tuition is not based on the number of days each month.

Late Pick-Up

We understand that emergencies can and will arise. **Please arrange for emergency pick-up people that you can contact in the these instances.** Back up adults for pick must be listed on your child's paperwork.

Parents are required to contact emergency pick up person(s) if they suspect that they will be late picking up their child. If unsuccessful in contacting emergency pick up person(s), then parents must immediately contact the Director of ASP. Please use the phone numbers listed in this handbook to notify the staff when these circumstances occur. This allows staff to prepare the child for the late arrival and to rearrange their own schedule or secure a substitute for the child's care. If a child has not been picked up by the end of the ASP day 5:30pm and the parent has not made arrangements for the child to be picked up by an authorized adult then the following actions will be taken:

1. Staff will attempt to contact the alternate adult(s) on the child's emergency card to pick up the child.
2. Please understand one child late results in several staff members remaining. This causes increased costs that we in turn need to move to your financial obligation. We always arrange for more than one adult to stay with the child.
3. \$15.00 for the first 15 minutes and \$10.00 for each additional 15 minute section you are late for pick up.

Please be respectful of our hardworking staff by being on time!
