

Student Council Giving Tree!

This year during Advent, Student Council will be collecting donations for our giving tree! The items that are collected will be donated to the children who are patients at UH Rainbow Babies & Children's Hospital. We hope to be able to bring some joy to the children and their families, who are battling serious illnesses during this holiday season. The items that are being requested are written on ornaments on our giving tree which is located outside of the office at the main campus. If you are interested in donating an item, we are asking parents to please stop in and take an ornament off of the giving tree and then return the ornament and the gift back to the tree by Friday, December 14th. Please note: That the hospital has asked that due to their infection control policies and for the safety of their patients, all donated items **must be brand-new**. If you have questions please contact Ms. Check. Thank you so much for your generosity!
