

# Student Council Baby Basket Drive!

Student Council will be collecting donations to create baby baskets for Maggie's Place and the Providence House! The items that are collected will be donated to the babies and their families who are staying in these homes. If you are interested in donating an item, we are asking students to bring an item from the list below to school on Thursday, March 7th. Any student who brings an item may dress down on Thursday March 7th! Please note: Due to safety/sanitary requirements they are unable to accept donations of used items. The items should not be wrapped, as the items will be assembled by the students into gift baskets. If you have questions please contact Ms. Check. Thank you so much for your generosity!

## Requested Items:
