

**Open Teaching Positions**  
**2019-2020 School Year**

ICA Cristo Rey, an all-girls Catholic, college-preparatory school in San Francisco, is sponsored by the Dominican Sisters of Mission San Jose. Our school community reflects Jesus' care and concern for all people and we live in solidarity with our school's foundress, Mother Maria Pia Backes, and her mission for the young, the poor, and the vulnerable.

ICA Cristo Rey is a member of the Cristo Rey Network of Schools. Our girls engage in a corporate work study experience that makes college preparatory education accessible and affordable.

We are currently looking for the following positions for the 2019-2020 school year:

- Social Studies (including AP World History)
- Chemistry (including AP Chemistry)
- Physics
- Math

The successful candidate will:

- Implement a standards-based and college preparatory curriculum
- Identify appropriate student learning targets for a wide-range of learners
- Design learning opportunities that build upon student knowledge and skills
- Design both formal and informal assessments to measure student mastery
- Incorporate formative and summative assessment data to inform planning and delivery of instruction
- Effectively instruct adolescent learners in an urban setting
- Use effective, research-based instructional and classroom management practices
- Align curriculum and instruction to best meet the needs of students
- Differentiate instruction
- Demonstrate and promote the responsible use of technology as a learning tool
- Inspire students to be more enthusiastic and sophisticated readers and writers
- Communicate with colleagues, students, parents and school leadership regarding student performance
- Demonstrate a willingness to teach a variety of grades and subject areas
- Communicate to students and parents a passion for teaching high school students and their subject area

**Qualifications:**

- Bachelor's degree, preferably in content area
- Experience teaching; preferably experience with Advanced Placement courses
- Experience working with urban populations

**Application Process:**

- Send resume, cover letter and references to: [gfornero@icacademy.org](mailto:gfornero@icacademy.org)
