The GARAGE SALE
At St. John's Parish Center/Pavilion
Saturday, July 13, 2019
Proceeds to benefit CYM activities

ALL high school students are asked to donate some time to working at the Garage Sale. The sale itself is on Saturday, but we will need to spend the week prior to the sale organizing for a successful event.

Parishioners, businesses and the entire community have, generously, donated all the items for the Garage Sale.

Please make every effort to work the shifts assigned, but if you have a scheduling conflict, please swap the shift with another student.

****PARENTS** your help would be appreciated anytime during the week, especially during "set up" Saturday morning and "clean up" Saturday afternoon.

Call me with any questions. Thank you and God Bless you!
