Statement on President Obama's November 20, 2014 Executive Order on Immigration

President Obama's Executive Order on Immigration is a bold and courageous step, but only one of many that must come from the President and the U.S. Congress in order to achieve comprehensive immigration reform.

This is the kind of action Pope Francis is calling on all world leaders to justly meet the needs of the people.

The Bishops of New Mexico will continue to work with the United States Conference of Catholic Bishops in lobbying for comprehensive legislative reform.
