If however something comes up after schedule was already released, please either "Reply All" to the email that accompanied the schedule to request a "Sub".

Explanation of legends:

☺ Server will be scheduled at least once a month if this is 1st choice as there are fewer servers at this time.

◇ Server will be scheduled often. We need servers for this Mass. We encourage older servers to help with this Mass.

☀ Server will likely be scheduled about every other month due to highest number of servers at this time.
