

St. Anthony School

"A Foundation For Life"

JUST A REMINDER:

As you know, all volunteers and coaches must undergo a background check and Safe Spaces Video. The Safe Spaces can be registered for and viewed online at:

<http://www.archny.org/pastoral/safe-environment-program/online-training/>

You will be able to download a receipt which you will send in to me so I can place your name on our school roster.

This must be completed prior to volunteering or coaching children.

If you are interested in either coaching or volunteering, please follow the procedure below:

- 1.) Please fill out the attached background check and return to the school.
You cannot register for the training video until the background check has been received.
- 2.) Register for and view Safe Spaces online and return the receipt to me.
- 3.) Your name will be placed on our roster and await the approval.
- 4.) You will receive an approval notice back from me.

Please remember this program's goal is to protect our children. Thank you for your cooperation in this matter and for your service to our school.

If you have already submitted the background and completed the training program, please advise the school.
