Congratulations on the new addition to your family!

The Sacrament of Baptism is a celebration of new life -- the life of Christ -- which is the shared life of the Christian community; a permanent faith commitment made by the parents on behalf of their children in which their children grow; and the acceptance of the responsibility for the child's growth in the faith of Jesus in the Church.

Baptism incorporates a child into the family of God, the Church. Consequently, it presupposes on the part of the parents and godparents a certain familiarity with the liturgical, prayerful and doctrinal life and tradition of the Church. It will be the responsibility of the parents and godparents to be the best of teachers by sharing their faith and the richness of our Catholic heritage with the child.

May your Christian life be an inspiration to your child.
