

ST. MARY MONARCH MONEY

St. Mary's PPA is pleased to welcome back Monarch Money, an exciting fundraiser for our school. In this envelope, you will find 5 numbered tickets. We ask that every family sell all five tickets valued at \$20.00 each and return them to school by Friday, December 15, 2018.

How it works:

Each day beginning January 1, 2019 through April 30, 2019, all participants will have the chance to win the dollar amount noted on the calendar. If your ticket number matches (straight, NOT boxed) the NYS Lottery Evening Numbers (NOT including the Lucky Sum number) Congratulations! You win the sum of money indicated on that day of your numbered ticket.

- ❖ \$20.00 buys one ticket with 120 chances to win! If your number is drawn multiple times, you win multiple times!
- ❖ Prizes range from \$25 -\$400!
- ❖ Each ticket has a 3-digit number. That number is your lucky number for the 120 days.
- ❖ Every evening, at 7:30 pm, a 3-digit number is drawn by the New York State Lottery Commission. If the number drawn matches your exact ticket number, you are the lucky winner. You win the amount of money indicated on the calendar for that day.
- ❖ You do not have to watch the lottery drawing each evening. We will do the work for you and mail your check when you win.
- ❖ Payment must be received prior to collecting winnings.

Every family is asked to sell 5 numbered tickets.

Please have all sold tickets and monies back to school by December 15, 2018

All ticket numbers have been recorded.

If for some reason you have unsold tickets, they must be returned.

Please return sold and unsold tickets with the green folder.

If you would like more tickets or have any questions please email, call, or text Sabrina Zeoli
