

# ♡ HAPPY ♡ GRANDPARENTS ♡ DAY ♡

St Mary School Families,

It is that time of year again! A day for Grandparents and our special people. It is a Celebration for all that they do for our children. We are asking our St Mary families to help us by donating items for the event. This year Grandparents Day is on 2/1/19. More details about Grandparents Day and the other events for Catholic Schools Week will follow. All items must be dropped off at the school that morning. As always thanks so much for your support and help with all that we do here at St Mary School.
