RE: Re-Registration and Transportation Forms for 2019-20

It's that time of year again! Re-registration emails have been forwarded to all current school families by TADS. If you have **not** received an email, please contact me immediately.

In today's folder you will find transportation forms for the upcoming school year, specific to your "home" district.

If you require after school transportation to a daycare provider, please contact the school office to obtain the additional form(s).

Also, if you have a child applying for Kindergarten in September, and have not already done so, please register your Kindergarten student via the online application, which can be accessed under the Admissions tab on the school website (www.stmaryfishkill.org).

Please return **ALL completed** Transportation Forms to the school office no later than **Friday, March 8th**. I will then get them to the appropriate transportation departments. If you have any questions or concerns, please do not hesitate to contact us. Thank you and God Bless!
