ALLERGY INFORMATION

Dear Parents,

Please take a moment to complete this Allergy Information form if it applies to your child(ren). This is a priority!

Please list below any food allergies your child(ren) may have and return to the school office in an envelope marked "Allergy Info" a.s.a.p. so we can post in plain view in the SHS kitchen as well as copies in the main office and Nurse's office.

Thank you for your time and attention.

The SHS- HSA
