

# ST. BARTHOLOMEW ACADEMY

*The Catholic School that makes a difference in your child's life.*

Dear Third Graders,

Welcome to Third Grade at SBA!! I am looking forward to a wonderful year together. Since school will be out soon, it is time to think about summer reading. I am asking that you read and complete book reports for **TWO** books over the summer.

I would like everyone to read Freckle Juice by Judy Blume. It is funny, light and one of my favorite books. You may then read another book of your choice, preferably from the enclosed list. Please complete a summer book report form for both books.

I would encourage you to read as often as you can. Good reading habits are important to your success in school. Reading comprehension is a skill that improves dramatically with practice, so read, read, read!

Please make sure to bring in your summer reading book reports on the first day of school. Have a wonderful Summer!!

Sincerely,  
Mrs. Stetin
