

# I don't need God ... Or Do I?

## Am I Catholic?

A Struggle with Faith, Humility,  
and Surrendering to God

KENDRA VON ESH

Kendra Von Esh is an Author and engaging Speaker who left her executive career to inspire others to enrich their lives through faith and prayer.

Kendra Von Esh was a Corporate Executive who had it all—high powered job, prestige, and fantastic family, friends and social life. She didn't need God, nor did she have time for Him.

When she decided to get in shape and "cleanse" her body, she realized that she sorely lacked in the "spirituality" department.

She thought about going back to the Catholic Church but was conflicted because she didn't know much about the faith. She wasn't going to Church at all, didn't agree with most of its teachings and certainly wasn't ready to change her lifestyle. BUT she decided to go anyway and what she found transformed her life forever ...

"We were so very blessed to have Kendra speak at Holy Cross- her authentic, honest and humorous testimonial was a beautiful inspiration of being open to God calling us in the midst of where we are. Her faith journey will resonate with many-those who grew up Catholic, who converted or have reverted, and those who are searching for truth."- Laura Kosmach, Parish Secretary

"Though Kendra's presentation in its entirety was wonderful, the best part of The whole experience, for me, was her 'style,' which touched me to the soul. I thought, "Oh my gosh...I have found a person who I can completely relate to!"-Marie Sanderson, Parishioner
