

St. Jude club™

LEGO Club will provide students with the opportunity to work together while building and creating. Students will be encouraged to socialize with other students, reinforcing appropriate social interactions, developing problem solving skills, while providing direct instruction in various LEGO challenges. The group will focus on team building, creativity, following directions, oral communication and of course having fun! The group will be facilitated by Paige Rohr, Behavior Specialist and Erin Milliken, School Counselor.

LEGO Club will be offered in two four week sessions, meeting on Wednesday mornings: session I (7/3, 7/10, 7/17, 7/24) session II (7/31, 8/7, 8/14, 8/21). Each 4-week session will be \$50. LEGO Club will be held 9 AM-10 AM. Pick-up and drop-off will be outside of the Family Center.

To sign up for LEGO Club please complete form by June 5th. With payment in envelope attention Paige Rohr.

If you have any questions please contact,
