Name of Deceased: \_\_\_\_\_

Date and time of funeral: \_\_\_\_\_

**Please us this form to record your selections of hymns, readings and persons involved in the funeral liturgy.**

The family and those who gather with them, will be met at the entrance to the inside of the Church. The casket or urn will be sprinkled with Holy Water. The white pall, symbolic of the life of Christ given us at baptism, will be placed on the casket. The family will be invited to drape the casket with the pall. The family will follow the body into the Church.

These, along with the light of Christ shown from the Pascal Candle, are reminders of the life we come to share in our baptism and now in fullness through death and resurrection.
